ABOUT THIS RESOURCE

National Geographic Society, one of the world's largest nonprofit educational and scientific organizations, is recognized world-wide as journalism's most trusted name in exploration and discovery. From its founding in 1888, the National Geographic Society has developed the iconic National Geographic magazine as well as the popular National Geographic Traveler and hundreds of books, maps, videos, and images.

National Geographic Virtual Library brings the National Geographic Society to the library in a cross-searchable platform that fits the way today's students and patrons conduct their research. With standard
